HEAR WHAT OUR DONORS HAVE TO SAY

"I love The World Egg Bank and everyone who works there so much! They care about you. Everyone here made it so easy and comfortable during the process. They are just amazing people. Communication is always great, they are on top of everything all the time. There are many places to donate eggs, but The World Egg Bank makes me feel safe and welcome. They are by far the best. Thank you guys for being so great and working together with us donors to help change some lives!"
